	<p>2. What is the nickname of the headlight assembly introduced in 1960 and still used today on Road King models? Answer: "Freight-train"</p> <p>3. What year was the oil tank on touring models moved from the right side of the frame/under the seat to under the engine and transmission? Answer: 1993</p> <p><u>Safety info:</u></p> <ul style="list-style-type: none">● Cool temperatures: Please take out the summer air and put in winter air..... Air density changes with temperature. So, if you ride often in cooler temperatures check tire pressure often.● Also, if you can store your bike on carpet, rubber mat, cardboard due to cement drying your tires.● Black Ice: This time of year can have black ice and frost in the mornings and evenings if you are out riding to/from work, doing errands or visiting friends.● Dress for the weather: Leather coats, sweatshirts, heated gear, gloves, chaps, reflective gear, face coverings, maybe full-face helmet, thicker socks.● Cages: Keep gloves, hats, blankets, water in your vehicle. Never know when you will be stuck in traffic, possible unforeseen breakdown, help someone.● Be alert: Motorcycles are thought to be "Put Away" this time of year by most vehicle drivers. They are not "Looking" for you when out and about like they do in spring and summer.● Now is the time to "FIX" the little things you have put off for the winter. See parts department or service department.
